

**PETE'S BAR
LUNCHEON**
ALBERT PARK
1958 - 1997

**These are the moments that defined Aussie hoops.
Famous wins, unexpected losses, incredible shots,
extraordinary incidents and yes ... that hair piece and
that chest bump.**

**In 2012, Pete's Bar Lunch celebrates everyone who has pulled on a green
and gold singlet, tight shorts or lycra bodysuit.**

If it made our list, then it made Australian basketball what it is today.
